## What is Shopmobility?

We operate a scheme hiring:

- powered scooters
- powerchairs
- manual wheelchairs • holiday vehicles

To members of the public with limited mobility enabling them to visit shops and leisure facilities.

Shopmobility is for anyone, young or old, whether their disability is temporary or permanent. You don't need to be registered disabled or a blue badge holder to use the scheme.

### How do I join?

You need to show two separate forms of identification - one with your address (e.g. utility bill) and one form of photographic I.D (e.g. driving licence). Once joined, you will receive a membership card to use on all visits.

A staff member will discuss the most suitable vehicle for your needs and give you training on the appropriate vehicle.
